1. The export quota of Land Saxony for the third quarter of 1947 was not fulfilled, even though firms working exclusively for German consumption were compelled to deliver goods for export. In order to help meet the third quarter quota, the Foreign Trade Department of SMA Saxony agreed to include the production of the first month of the fourth quarter in third quarter figures.
2. Consequently, the January 1948 production will be included in the fourth quarter export quota, which has been set at 50,000,000 RM.
